Checklist German Income Tax Return

The tax return checklist contains a list of documents that are often required in order to prepare German income tax returns. In a meeting with you we will use this list to identify the relevant documents for your German income tax return and identify potential tax savings.

Please provide us with documentation regarding your complete German and non-German income and all related expenses. Non-German income will often be tax free in Germany but will be considered when calculating your applicable income tax rate (Progressionsvorbehalt).

**Income as an employee**

- Wage tax certificate provided by your employer (Lohnsteuerbescheinigung)
- Relocation expenses (estate agent, flights, transport, renovation, double rent; list of reimbursements by employer)
- Double household expenses (rental costs, household equipment)
- Public transportation tickets for work related travel
- Documentation for office at home, telephone / mobile / internet costs
- Work related equipment and office supplies (such as computers, mobile phones, literature, tools, work clothes)
- Payments to trade union (Gewerkschaft), professional chamber, professional insurance (Berufshaftpflicht, Unfall)
- Work related entertainment/meal expenses (not reimbursed by employer)
- Expenses for business trips. (travel, hotel, meals; not reimbursed by employer)
- Education and training costs (eg MBA, language course, computer course, truck driver’s license)
- Bank account fees if exceeding 16 EUR
- Attorney or tax advice costs

**Rental and Lease Income**

- Documentation for property in Germany and abroad
- Rental / Leasing contracts
